Congratulations on securing a place at St Angelic. You are required to report to school on **16th January 2024** with your Parent/Guardian fully prepared for the study session. Please note that your place will be reserved for **two weeks** after which it may be given to the next person on waiting list. Kindly inform the office in case of lateness. To secure your seat, we recommend you pay the fees before the reporting date.

St Angelic Girls Secondary school: It is a church sponsored school established in 1984. We are a full boarding girls school, situated near Afya Maize Mill, Gitoro along Meru-Nanyuki Highway about 2 Km from Meru Town. Currently the school population is over 500 students. To give our outgoing students a better understanding of career options and courses available after KCSE, we hold yearly seminars with Universities and colleges in Kenya, who guide students on admissions in different colleges & universities. Our alumni continue to make us proud all over Kenya and Abroad.

FACILITIES: The school stands on five acres of land with modern infrastructure objectively designed to enhance ideal learning. Our school has three fully equipped modern science laboratories, a library, a computer lab, a farm for agriculture projects, solar lights, solar powered hot water system, clean and adequate piped water and electricity. The school is well fenced and secured by CCTV Surveillance cameras to ensure maximum security for your daughter. The school also offers computer studies to all students.

TEACHING STAFF: We have a team of trained, graduate teachers who are hardworking, innovative and accessible to all students. Special attention is given to students who perform below average to maintain a high standard of performance.
